3. **FOR COOLED/FROZEN SHIPPED SEMEN:** The Stallion Fee and the Chute Fee stated above is due and payable upon execution of this contract and at least ten (10) days prior to ordering semen. Mare Owner is responsible for all facets of breeding the Mare and agrees to comply with the related breed association requirements concerning the use and handling of cooled and/or frozen semen. Mare Owner agrees that an individual who is qualified and experienced in the use of handling cooled and/or frozen semen will perform the insemination procedure within 24 hours, but not more than 48 hours after collection of the Stallion. Mare owner agrees to use all semen provided by this contract for the mare named in this contract and no other.
4. **COOLED/FROZEN SEMEN SHIPMENT FEES:** A fee of \$300.00 will be charged for each shipment of cooled or frozen semen. An additional fee of \$250.00 will be charged to the Mare Owner if the **frozen semen shipping container is not returned in 5 calendar days**. The Mare Owner agrees to give FCG Equine ample opportunity to settle the mare (having bred her through two (2) heat-periods). The Mare Owner agrees to give FCG Equine permission to do what is needed to settle the mare. If for any reason a Mare does not settle, Mare Owner waives any claim against FCG Equine. If after 2 heat-periods, mare does not settle, FCG Equine's veterinarian will examine the Mare for normal breeding conditions and will administer care for the Mare that the veterinarian deems necessary. Chute Fees and Shipping Fees will apply. It is further agreed that if the mare dies before producing a live foal or becomes unfit to breed before being pronounced safe in foal (30 days in foal), a substitute mare will be allowed for the current breeding season or the following season only. NO Stud Fee will be refunded.
11. **BREEDERS CERTIFICATE:** A Breeders Certificate will be issued for the foal conceived by the mating when the Stallion Fee and all other expenses incurred by the Mare and/or foal have been paid in full, and after FCG Equine has been notified that said mare has been pregnancy checked in foal. Mare Owner agrees to have said mare pregnancy checked within 30 days from the date of the last breeding and provide said information to FCG Equine within five calendar days from the date of said pregnancy check.
